# Md. Serajus Salekin Khan

## Summary

---

Computer Science graduate passionate about data engineering and machine learning. Supportive and capable leader, having led multiple Senior class projects to completion. Well-versed in numerous programming languages including Python, PHP and JavaScript.

## Skill Highlights

---

- Python
- PHP
- Machine Learning
- React JS
- API design
- Data Scraping

## Experience

---

### Academic Projects:

- Doctor Appointment System: PHP [Available: [getappointment.epizy.com](https://getappointment.epizy.com) ]
- Metro-Rail Ticket Management System: Python [Available: <https://rebrand.ly/40053a> ]
- Automated Class Schedule Maker: PHP [Available: [getroutine.epizy.com](https://getroutine.epizy.com) ]
- Student Grade Sheet Generator: PHP
- Hotel Management, Queue Simulator: C/C++

### Researches:

- Sentiment Analysis on Bengali Facebook Comments To Predict Fan's Emotions Towards a Celebrity
- Towards developing a Machine Learning Model for Suicidal Attempt Prediction.

## Education

---

### ❖ Bachelor of Computer Science and Engineering

**Institution:** East West University, Dhaka

**CGPA:** 3.70

**Passing Year:** 2021

### ❖ Higher Secondary Certificate (HSC)

**Institution:** B.A.F Shaheen College, Dhaka

**GPA:** 4.75

**Passing Year:** 2016

### ❖ Secondary School Certificate (SSC)

**Institution:** Chakdha High School, Shariatpur

**GPA:** 5.00

**Passing Year:** 2014

## Courses and Trainings

---

- Competitive Programing Training (2017)
- Workshop on Arduino Basic (2018)

## Clubs

---

- EWU Computer Club
- EWU Robotics Club
